

To Whom It May Concern:

I am writing on behalf of Coach Christopher Woodside. It has been my great pleasure to know Coach Woodside over the past 2 years as a colleague, friend and mentor. Coach Woodside is an extremely personable person. In my experience, Coach Woodside is dependable, discrete, likeable, loyal, honest, enthusiastic and realistic in his expectations.

Coach Woodside has worked exclusively as my teams Team Builder/Leadership Trainer, and my personal mentor. His ability to navigate and engage the student-athletes in leading them to being the best teammate and leader they can be, is second to none. His mentorship for me has broaden my horizons and made me not only a better coach/leader, but also a better person. His intellect is matched by his ability to communicate clearly, and to project an open, friendly persona to others regardless of their, level of expertise.

Coach Woodside's excellent communication skills, positive outlook and pleasing personality enhance his natural leadership qualities. Coach Woodside's willingness to accept challenges and listen to input enables him to contribute thoughtful, well-reasoned approaches to helping others solve difficult problems.

I have observed Coach Woodside's involvement in a variety of projects that demonstrate his continuing deep commitment to the betterment of people. His work with my Schreiner Women's basketball team will always stand out to me. We started off as a dysfunctional group, but finished having a deeper level of respect and understanding for each other. This afforded us the opportunity to make the conference tournament and get to the second round. More importantly, the girls developed relationships with each other they have blossomed off the court.

Sincerely,

Temaine Wright

Assistant Women's Basketball Coach
